

TCS Third Grade Virtual Learning

Dearest families: We thank you for inviting us into your homes in order to provide virtual education to your child. In order to be ready for this transition, please join your child's Google Classroom so that you are ready on March 31st.

To Join a Google Classroom, accept the invitation that the teacher sends via email, or go to "Google Classrooms" in the student portal and enter the classroom code to join the class. If you need assistance, please email your child's teacher.

All parents should receive invitations from teachers by the end of day March 30th, if not before.

TIP: While an iPad, laptop, or Chromebook is ideal, you can download the "Google Classroom" and "Hangouts Meet by Google" on Smartphones for additional access to resources during live lessons. **Small group instruction will be most important for student continued success. These times will be scheduled between the teacher and the family, based on needs.**
